CONTENTS

These are a few of our favourite drinks.

Drinks we find interesting, drinks we find curious or a bit different, drinks we really like, and most importantly, drinks we think you might like. Packed full of flavour, fun and sometimes frivolity we present this to you with love, from those who have eschewed the Monday to Friday 9 to 5 life and chosen instead to wait tables, scrub pans and try their hardest to deliver an experience you will always remember.

So, here's to them, and here's to you. To health, wealth, and happiness.

Drinks are on the house!

THE SPECIAL STUFF

SPECIAL STUFF 125ML

If we could wish for a superpower, it would be the ability to pour a small glass of wine out of a quality bottle without ever opening it. If we could do that, we could keep the rest of the bottle for as long as we want without any loss of quality and freshness. Oh wait, we already have the ability to do that? Okay, fly. We want to be able to fly.

WHITE

Chablis Domaine Ste Claire, JM Brocard (Organic) - France ... £15

Crisp and delicious with a fresh nose of light fruity aromas, additional notes of citrus and elegant minerality on the palate. This organic version offers a medium length finish with an extra degree of vividness and savoury complexity.

North Coast Chardonnay, Buena Vista - USA ... £13.13

An elegant Chardonnay, with flavours of Asian pear, stone fruit and citrus alongside subtle notes of vanilla and smoke from the oak barrels it has aged in. Richly textured with its well-balanced acidity and creaminess leads to a beautiful finish.

RED

Norton Privada Family Blend, Argentina ... £14.25

Excellent aromatic complexity with notes of ripe fruit, spices, and hints of smoke and coffee. rich and generous on the palate with superb concentration.

Costasera Amarone Classico, Masi - Italy ... £17.7

Full bodied that is bright and intense on the nose with aromas of preserved cherries and dried plums. Tied together with hints of fruits of the forest and cinnamon creates a long, well balanced, velvety finish highlighting notes of cocoa and coffee.

Gevrey-Chambertin, Hubert Lignier - France ... £24.5

Rich, resonant gevrety, with blackberry, blueberry and violet aromas, a very suave, silky texture, and a long supple finish.

SPIRITS

'PINK' GIN

I'd like a pink parasol. Pink's my favourite colour too.

Back in 'ye olden days' sailors prone to sea sickness aboard British naval ships were prescribed Angostura Bitter's to settle their stomachs. The only problem was the extreme bitterness of the remedy. Seemingly this was before the invention of the stiff upper lip, and indeed health and safety, so the sailors would make their medicine more palatable by adding gin. Makes sense, I guess. By the late 1800's the pinkish concoction was made fashionable through the addition of tonic, and ta-da! 'Pink Gin' was around to stay.

Here are our favourite combinations of gin, bitter and tonic.

CLASSIC 'PINK'

Bombay sapphire gin, Angostura bitters, Schweppes tonic, lime ... £11.75

PEPPERCORN 'PINK'

Ophir gin, Jerry Thomas bitters, Schweppes tonic, muddled strawberries, pink peppercorns ... £11.2

CITRUS 'PINK'

Hayman's Old Tom gin, lemon & grapefruit bitters, Artisan lemon tonic ... £11.2

SAVOURY 'PINK'

Hendricks gin, cucumber & celery bitters, F&S elderflower & cucumber tonic ... £15.25

Well, you came to us ... try a bit o' this.

CAMPARI

Straight from Luton Airport

Whilst the popularity of Campari has waxed and waned over the decades it has remained a stalwart ingredient in cocktail bars across the world, with most bar tenders opting to keep a bottle or two within easy reach. Take the Negroni, a classic cocktail made with three ingredients. Two of these ingredients are entirely interchangeable, one is not... Campari.

How do we like our Negs in the morning? We like ours with a twist!

KARMA DRINKS

Karma Drinks believe that something as frivolous as a fizzy drink can be a force for good.

They believe that what you drink should not only taste good, but be good to the planet, good for the people who grow their ingredients and good for you. Their Karma foundation ensures that 1% of revenue from every Karma Drink goes to their Cola nut growers and their communities in Sierra Leone to help drive economic and social independence.

Now that's Instant Karma.
